

IBM COGNOS

The screenshot shows the IBM Cognos Analytics with Watson home page. The browser's address bar displays the URL `us3.ca.analytics.ibm.com/bi/?perspective=home`. The page features a dark blue header with the IBM Cognos Analytics with Watson logo and a search bar. A maintenance notification banner at the top states: "Maintenance: The upgrade is now complete. Click on More Info to see what actions may be necessary and to subscribe to future events". The main content area has a dark blue background with the text "Hello. Welcome to Cognos Analytics with Watson." and a subtext: "You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Below this text are two buttons: "Watch video" and "Take a product tour". To the right of the text is a 3D isometric illustration of blue cubes and a laptop. On the far right, a user profile sidebar for "KOUSALYA R.V (f38869a...)" is visible, showing the email `kousalyar.v.19cse@kongu.edu` and a "Profile and settings" link. The sidebar also contains links for "My schedules and subscriptions", "Log my session", "About", "Manage product subscription", "Privacy", "Cookie Preferences", "IBM Cognos Analytics Mobile", and "Log out". Below the main content area, a "Quick launch" section contains four tiles: "Upload data" (with an upward arrow icon), "Prepare data" (with a cube icon), "Exploration" (with a cube icon), and "Present data" (with a monitor icon). Each tile includes a brief description of its function. The bottom of the image shows a Windows taskbar with the date and time set to 22:29 on 20-11-2022, and the weather as 25°C Cloudy.
